

Fixing your own computer and making it more secure along the way

Steve Clement

November 9, 2015

Happy to see you

Who am I?

#Hacker

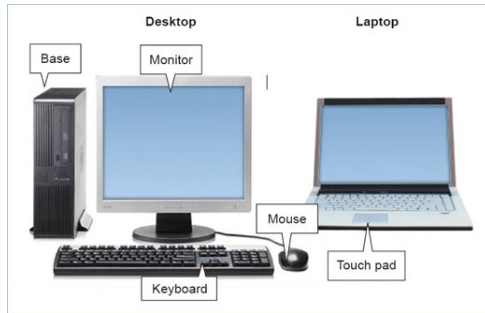

How long & Overview

- $\pm 1.5.h$ (including hands-on)
- _____
- You and your tech
- Computer Overview (and hardware)
- What can you fix
- Tools to fix (screw this. . .)
- Problem Types (Hard/Soft)
- Internet Security
- Resources

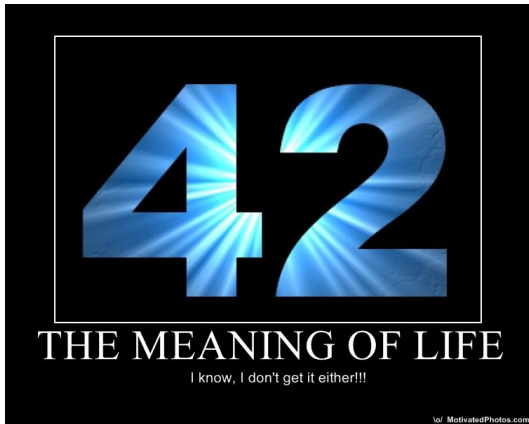

You and your tech

- What were problems you have (or had)
- How do you feel repairability is evolving? (Why?)

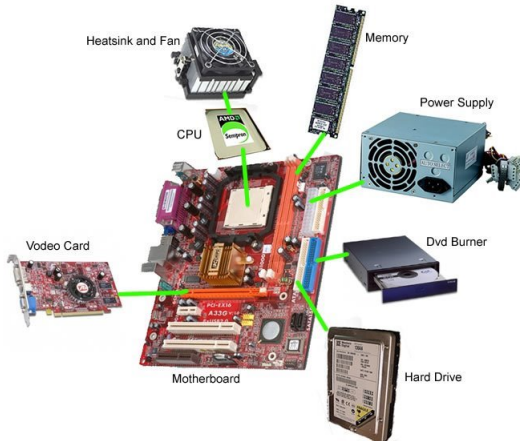

Computer Overview

Computer Overview

Computer Overview

What can you fix?

- Most things... but
